

# Quetico Outfitters

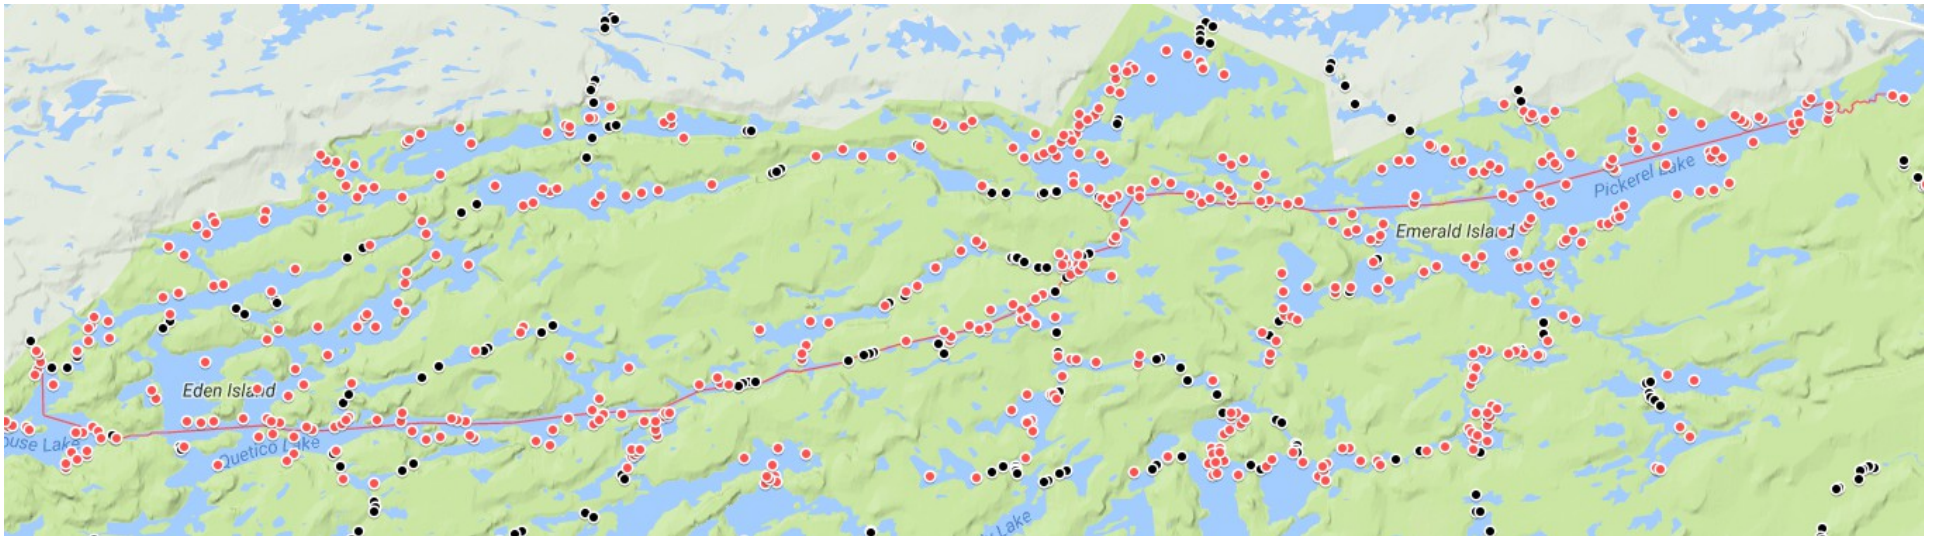

## Quiet Lakes Route 49 Miles

This Quetico canoe trip will take you across the park where you will enjoy some of the nicest and quietest lakes in the park. A shorter option than the Quetico Traverse but an equally amazing adventure.

A Quetico canoe trip that you will remember for a lifetime.

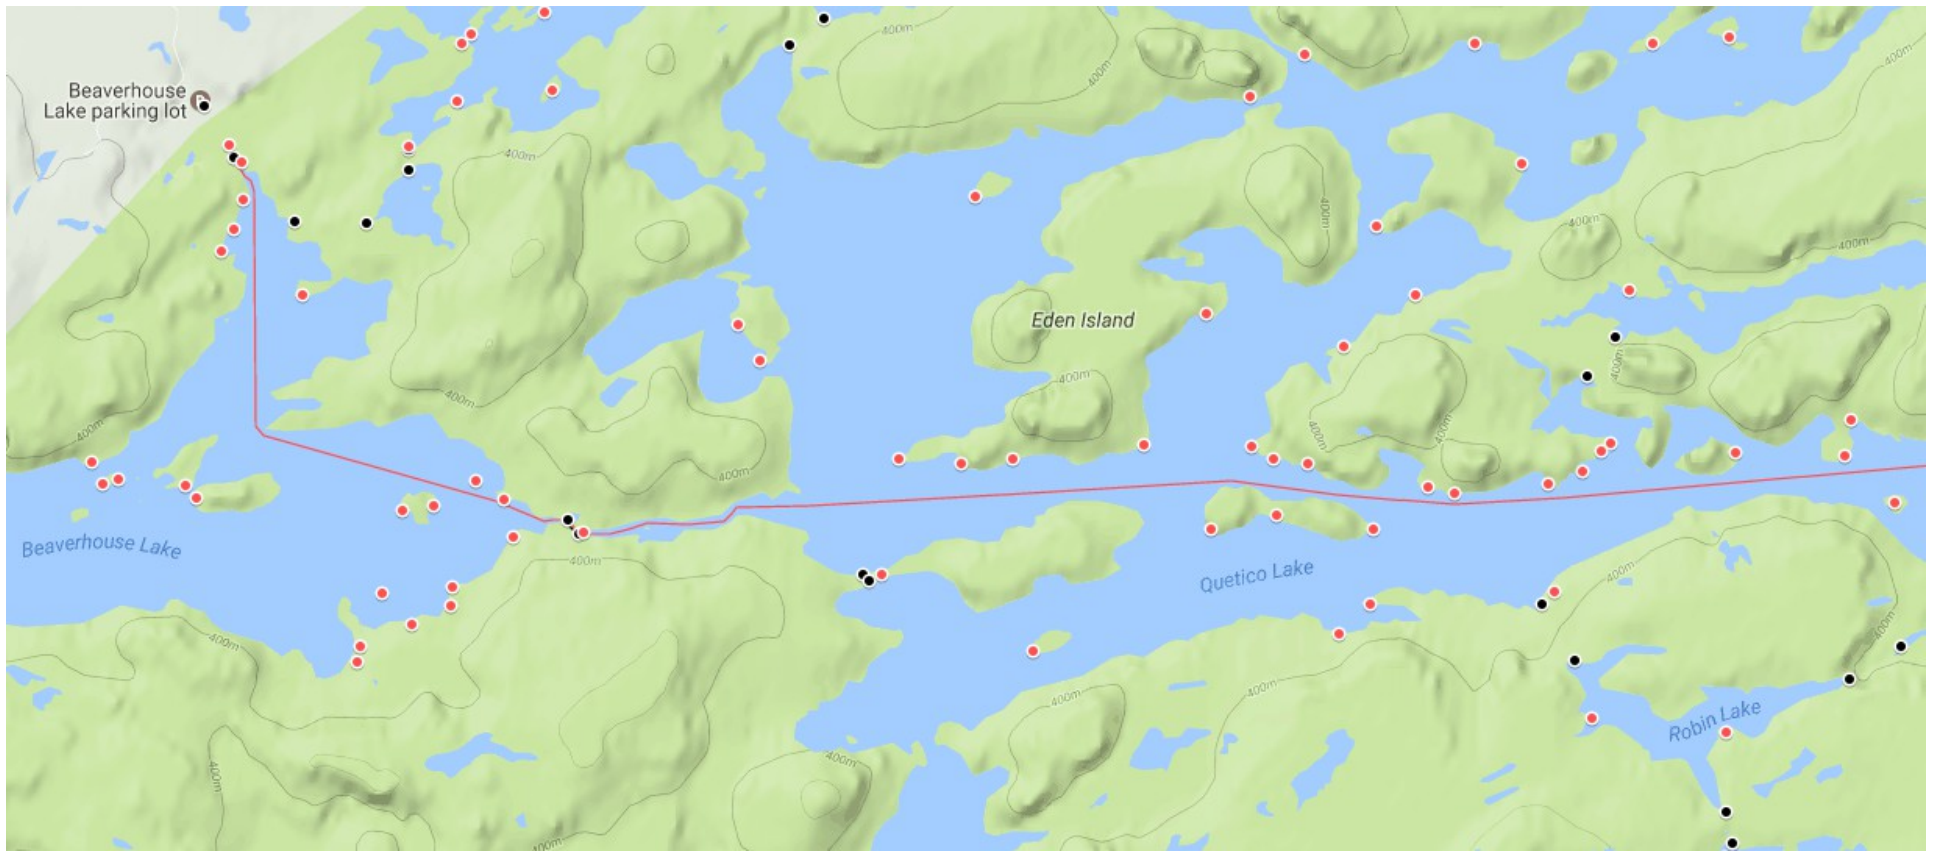

### Features Include:

- Total Time: 24 hours** - based on paddling speed of 2.5 Miles / hour and double portage
- Total Distance: 49.5 Miles**
- You can shorten the distance by exiting at Nym lake or Stanton Bay
- A side trip to view the pictographs on Quetico lake
- The beauty of Jesse lake and its numerous island will beckon you to stay a second night
- The longest portages lead into and out of Jesse lake
- The red dots are camp sites and the black dots indicate the location of the portages.
